

Adopt-A-Highway

Participation in North Carolina's Adopt-A-Highway program is free. The N.C. Department of Transportation, however, asks volunteer groups to commit to at least four years to cleanups along a 2-mile stretch of roadway. Litter cleanups happen at least four times a year — and sometimes more on heavily traveled roads. Volunteers must be at least 12 years old. NCDOT provides participants safety training, safety vests and trash bags. Groups may keep their adopted section of highway if their contract is renewed at the end of each four-year period and they meet their required number of pickups. To volunteer with Adopt-A-Highway, interested groups should first use the litter management map on the [ncdot.gov](https://apps.ncdot.gov/LM/Application?program=AAHVolunteers) website to determine roadway availability and then to request a segment when submitting their application online at <https://apps.ncdot.gov/LM/Application?program=AAHVolunteers>

Sponsor-A-Highway

The N.C. Department of Transportation's Sponsor-A-Highway Program provides businesses, organizations and individuals the opportunity to sponsor litter removal on North Carolina roadsides while also advertising their company name.

This public-private partnership includes service providers that are responsible for marketing, securing sponsors, installing and maintaining signs and removing and disposing of litter using their own crews.

In return for contracting with one of the service providers to clean a one-mile segment of roadway, an acknowledgement panel identifying the sponsor is attached to a Sponsor-A-Highway Program sign.

Sponsorship Process

Based on technical proposals, NCDOT has selected the two providers listed below to perform this work. Each uses their own trained staff to perform this service.

Businesses, organizations or individuals interested in becoming a sponsor, should contact one of these private companies for more information.

Adopt-A-Highway Litter Removal Service of America, Inc.

4407 Manchester Ave.

#201

Encinitas, CA 92024

(800) 499-2367

Website: <https://sponsorahighwaynorthcarolina.net/>

Email: Paige@adoptahighway.net

Adopt A Highway Maintenance Corp.

3158 Red Hill Ave.

Suite 200

Costa Mesa, CA 92626

(800) 200-0003

Website: <https://northcarolinasponsorahighway.com/>

Email: info@adoptahighway.com

Agreements entered by the sponsors and service providers are between these parties and do not include NCDOT. Furthermore, NCDOT is not involved in receiving nor providing any compensation in regard to the statewide Sponsor-A-Highway Program or any agreement between sponsors and service providers.

Sponsor-A-Highway Segments

Most roadways in North Carolina are included in the Sponsor-A-Highway Program, with the vast majority of the roadway miles open for sponsorship.

Available segments are shown on NCDOT's [litter management map](https://apps.ncdot.gov/LM) available at <https://apps.ncdot.gov/LM>.

Potential sponsors who have identified a segment should record the mile hatch marks or beginning and end points using the map to locate the segment.

All information shown on the litter management map is subject to change at any time without notice. As such, the reader of this information is cautioned as to the accuracy and any errors or omissions contained.

Please contact a service provider listed above for more specific information
